Memorandum

To: Chief Neil Dubord

From: A/Insp. James Sandberg

Section/Dept: Public Affairs and
Communications

Date: April 10th, 2024

Subject: DeltaConnect App and DPD's Online
Crime Reporting System

Chief Dubord,

At the April Police Board meeting, a board member requested a study in relation to having a link to the Delta Police Department's (DPD) online reporting system added to the City of Delta's mobile phone application DeltaConnect.

The DPD's online reporting system allows reporting of the following incident types:

- Mischief under \$10,000;
- Fraud under \$10,000;
- Lost property valued under \$10,000;
- Theft under \$10,000;
- Traffic incidents and general community concerns; or
- Non-injury hit and run with a suspect plate or identification.

The DPD conducted a brief study in 2023 to determine people's preferred method of communicating with the DPD for the purpose of making non-emergency reports. The preferred method continues to be by telephone. This survey result is supported by the fact that the DPD receives the bulk of its non-emergency calls by phone, with only an average of 1 call per day generated via the on-line reporting system.

The DeltaConnect app allows users to request services from the City of Delta, to report city related issues, provides garbage and access to a variety of online city services. To date, Delta Police Department services have not been included in the city's app; nor have they been included on the city's website.

The DeltaConnect app uses a blend of webforms built within the app, and links to the City of Delta's website. Currently, the links do not appear to be operable, leaving the user with a web browser window that does not connect. The app's design does allow for the technical ability to redirect a user to the DPD's online reporting system.

Should a DPD link be included, this link would be the first online presence of the DPD embedded into any of the city's platforms. As a result, this may cause confusion for the end user who ultimately is looking for the bylaws department or is looking for other DPD services that are not present in the city's online presence.

At this time, including a link on the City of Delta's DeltaConnect app does not appear to have a significant return of value, while creating another system/link that would require ongoing monitoring and support.

As an alternative, the DPD Communications team suggests a social media campaign to promote and advertise the existing online reporting portal on the DPD's website as a manner in which to access services from the DPD. This campaign can be an ongoing reminder to the public through Instagram, Facebook, X, and LinkedIn, that the DPD has online reporting ability available at <https://report.deltapolice.ca:11443/>

NEWS RELEASE

Weekend Mill Fire

NEWS RELEASE - Mill Fire in DeltaApril 8th, 2024

File 2024-6026

Shortly after 1 am on April 7th, 2024, the Delta Police Department (DPD) received a request for assistance from the Delta Fire Department (DFD) in relation to a fire at a lumber mill in the 9300 block of Alaska Way, Delta.

DPD officers provided scene security while firefighters extinguished the fire. Following extinguishment, DPD officers have remained on scene for security, and to investigate to determine the cause of the fire.

There were no injuries from this fire.

The investigation is still in its early stages and a cause of the fire started has yet to be determined. Arson investigators will remain on scene for a lengthy period to continue their investigation.

NEWS RELEASE – Witnesses to Serious Collision Sought

File 2024-6382

A black Chrysler 300 left the roadway, crossed a residential front yard and rolled over into a tree, coming to rest on its roof. This single vehicle collision occurred on English Bluff Road south of 1st Avenue, on April 12th, 2024, at approximately 3:20 pm. The driver and lone occupant of the vehicle received serious, but non-life-threatening injuries.

What We Need:

Delta Police collision investigators are now seeking witnesses, dash-camera footage, cellphone video, Tesla video and Sentry mode captures, and CCTV video of the collision and the pre-collision driving of this Chrysler 300. If you were in the area or have any information, we need your help.

Key Details:

The vehicle had been traveling south on English Bluff Road prior to the collision. Additionally, a white Volkswagen Tiguan had been travelling south on English Bluff Road at the same time as the Chrysler 300. We're eager to speak with the Tiguan's driver and any passengers who might have insights into the events preceding the collision.

Contact Us:

You can reach the Delta Police at (604)940-7321 or email tips@deltapolice.ca. Every detail matters, and your contribution could make a world of difference. You can upload your video directly to us at <https://dpd.ca.evidence.com/axon/community-request/public/24-6382>

Delta Police & Surrey RCMP Team Up for Canucks Playoffs Patrols

News Release**Delta Police Department and the Surrey RCMP Team Up to Enhance Patrols During Playoffs**

The Delta Police Department and the Surrey RCMP are teaming up to enhance police patrols and enforcement during the Vancouver Canucks playoff season.

Historically, unsanctioned gatherings have impacted road users when pedestrian volumes have swelled into traffic lanes at 72nd Avenue and 120th Street. To maintain public safety and road safety, both police jurisdictions will monitor the intersection during the Canucks playoff games.

The intersection of 72 Avenue and 120 Street may be closed to vehicles, if necessary, to ensure public/pedestrian safety. While the primary focus of our officers will be safety, officers will also be present to enforce the Motor Vehicle Act and Regulations, liquor and cannabis control laws, and the Criminal Code.

“This is a special time of the year when fans gather to cheer on the Canucks and we want to ensure fans celebrate safely,” says Sergeant Tammy Lobb, Media Relations Officer with the Surrey RCMP. “Additional officers will be in the area maintaining public safety and enforcing the Motor Vehicle Act, targeting drivers who are street racing, stunting and driving dangerously.”

“While we encourage our community to celebrate the success of the Vancouver Canucks in a responsible manner, we also want to ensure the celebrations do not negatively impact other roads users. We are asking those who plan to gather at 72nd Ave and 120th Street to be safe, while respecting the travelling public on those roads,” says Acting Inspector James Sandberg, Public Affairs Manager of the Delta Police Department.

NEWS RELEASE

Multiple arrests for Fraud,
Drug, and Gun Charges

Delta Police News Release
FOR IMMEDIATE RELEASE
Date: April 26th, 2024

Significant Charges Sworn in Large-Scale Investigation
File 2023-4428

What started as a small investigation focused on fuel purchase fraud, quickly grew into a long-term project that has resulted in five individuals facing 47 charges including controlled drugs and substances, firearms, and a civil forfeiture process.

In February 2023, the Delta Police Department's (DPD) Crime Reduction Unit (CRU) learned of a fuel fraud scheme involving fraudulent cardlock cards being produced and used. Dozens of fraudulent transactions had been conducted with a value of greater than \$25,000. The investigation identified an organized group was involved in the fraud.

In April 2023, the CRU executed a search warrant related to the fuel fraud investigation at a property in the 6100 block of 104th Street, Delta. As a result of the search warrant, a number of criminal offences were identified including:

- loaded restricted and prohibited guns;
- a fully operational drug lab; and
- an illegal marijuana grow operation.

As a result, \$1,000,000 street value drugs were seized along with vehicles associated to organized crime. At the time of warrant execution, one man was arrested on an outstanding Canada-wide warrant. Two vehicles have since been subject to civil forfeiture proceedings, while other civil forfeiture processes are still in progress.

The DPD wish to acknowledge the support of the Integrated Emergency Response Team, Integrated K-9, and the Clandestine Lab Enforcement and Response (CLEAR) Team for their assistance in the execution of the warrant.

CRU submitted a report to crown counsel recommending 73 charges against 9 individuals.

On April 22nd, 2024, the Public Prosecution Service Canada (PPSC) approved charges against 5 individuals, as follows:

1. Robert Johan Simonsen, a 52-year-old man from Surrey, BC has been charged with:
 - a. Fraud Under \$5000 S.380(1)(b) Criminal Code; and
 - b. Fraud Under \$5000 S.380(1)(b) Criminal Code.

2. Richard Stephen Voszler, a 48-year-old man from Delta, BC has been charged with:
 - a. Fraud Under \$5000 S.380(1)(b) Criminal Code;
 - b. Fraud Under \$5000 S.380(1)(b) Criminal Code;
 - c. Production of Methamphetamine S.7(1) CDSA;
 - d. Possession of Cocaine for the Purpose of Trafficking S.7(1) CDSA;
 - e. Possession of Methamphetamine for the Purpose of Trafficking S.7(1) CDSA;

Two of the five individuals charged have been arrested in relation to this investigation, while the remaining three accused are currently wanted on unendorsed warrants. We ask that the named individuals turn themselves in to the DPD for processing of their warrants.

“When we commence an investigation, we follow the evidence, and we don’t necessarily know where a specific file is going to go. Our CRU showed commitment and follow-through on a complex investigation, with a complex disclosure package. I am very proud of the work of our CRU members. I would also like to acknowledge our Federal Crown partners who approved the charges in a complex and difficult file,” stated Chief Neil Dubord, when asked about this investigation.

SUBJECT 2023 Meeting Honorarium Report	
ACTION <input checked="" type="checkbox"/> For information <input type="checkbox"/> For action	MEETING <input checked="" type="checkbox"/> Open <input type="checkbox"/> Private <input type="checkbox"/> Committee

Members of the Delta Police Board, other than the Mayor as Chair, receive honorariums for their attendance at Board meetings and the performance of similar services to the Board. The honorariums are not intended to compensate Board members for actual hours worked, but rather to give recognition for contributed service and cover out-of-pocket and incidental expenses (e.g., parking, printing costs, cell phone, telephone, and childcare) incurred by the member in the course of carrying out their Board duties.

Board Members who attend Regular and Special Board, Committees, Canadian Association of Police Governance, BC Association of Police Board, and other meetings will receive:

- \$150 for any meeting two hours or less in length.
- \$273 for any meeting over two hours and up to four hours in length; or
- \$548 for any meeting longer than four hours and up to eight hours.

Honorariums are taxable and Board members receive a T4 each calendar year.

Total honorariums in 2023 were as follows:

Cassidy, Chief Laura ¹	\$1,365
Flandez, Warren Dean ²	\$273
Garm, Annette	\$2,961
Hossack, Karen ³	\$819
Oberoi, Sharan ⁴	\$0
Tait, Ian (Vice Chair)	\$5,391
Victoria, Lara ⁶	\$5,226

¹ Accrued and payable in 2024

² Appointed to the Board on December 13, 2023

³ Board member resigned effective February 16, 2023

Message

Morning,

My name is [REDACTED], I am the [REDACTED] [REDACTED]. I just wanted to reach out with a quick thank you note to Chief Neil Dubord. Sir, I have been a steady listener of your podcast for sometime now, it was thoughtfully recommended to me by a member of our partner agency [REDACTED]. I frequently find episodes to share out to our members and have been hearing a lot of positive feedback on the recommendations. There is so much value to sharing these stories, and although you are typically hosting first responder types, our uniformed officers are hearing the key messages of wellness, resiliency and importance of consistent self care. I am noticing an uptake in our (very infant stages) wellness/safety program, and a significant buy-in from those who have been historically dismissive to the idea of whole officer wellness, general talk therapy, and just normalizing work-life stressors can affect everyone, at all levels. Sharing the stories you have on the podcast has allowed some room for those who are more reluctant, to engage in healing through story telling. I've personally be able to use a lot of key components in my Resiliency & Wellness training that I deliver to our agency, and ministry [REDACTED]. I have been a Critical Incident Peer for our uniformed members for about 9 years now. I can't tell you how impactful and helpful it is to refer members to your stories and yourself.

Thank you for all that you are doing in the mental health movement, and to all those involved at Delta PD.

SUBJECT Patrol Services Section – Body Worn Cameras (BWC) Program Update	
ACTION <input checked="" type="checkbox"/> For information <input type="checkbox"/> For action	MEETING <input checked="" type="checkbox"/> Open <input type="checkbox"/> Private <input type="checkbox"/> Committee

Background

In early 2023, the Delta Police Department (DPD) initiated Phase 1 of the Body-Worn Camera (BWC) program within the Patrol Services Section (Patrol), deploying eight (8) BWCs with eight (8) Patrol officers participating in the pilot. Following successful implementation and thorough internal and external assessment of the BWC program—which revealed strong support from both the DPD team and the community for continued expansion—Phase 2 of the program commenced in 2024. Currently, 24 BWCs are deployed in Patrol, with 46 Patrol officers participating, marking a significant milestone in our commitment to expanding the program and ensuring excellence in policing services to our community. Currently, overall, the DPD has 36 BWCs and total of 58 officers operationally deploying them.

The DPD’s BWC focuses on the following established outcomes:

1. Enhance transparency, public trust and confidence in policing (citizen satisfaction)
2. Enhance officer safety by discouraging use of force against police
3. De-escalate high-conflict situations to avoid use of force by police
4. Provide real-life training examples and insight into policing/public encounters to assist with training initiatives
5. Assist in complaint resolution about alleged officer misconduct, implying cost savings
6. Enhance evidence documentation, implying cost savings

Key Insights

Between January to April 2024, a total of 2399 BWC videos were generated, a substantial increase in overall usage compared to previous phases and pilots across various sections within the DPD. The top three categories of BWC videos include:

- No Charge – Freedom of Information Only
- Traffic - Enforcement Action
- For Charges/Court

These videos not only provide valuable insights into recorded interactions but also serve as essential training material and are available for use in resolving public complaints of misconduct by members in a timely manner, thus positively impacting officer wellness. It is expected that with streamlined usage in court processes in coordination with Crown, the relevance and prevalence will grow over the years.

Continuous Improvement

The DPD remains committed to implementing feedback mechanisms to address ongoing challenges and optimize BWC program effectiveness continually. Ongoing training and support for officers, led by Deputy Chief Harj Sidhu and Sergeant Jim Ingram, are essential components of our efforts to ensure the proper utilization of BWC technology. Additionally, we recognize the importance of adapting and updating our practices as we gain new insights and experiences throughout the program.

Community Trust and Confidence

The BWC program aligns with DPD's community-first policing approach, emphasizing transparency, and enhancing public trust and confidence in policing. An assessment conducted in 2023 found that 92% of the community expressed a desire to see continued expansion of the BWC program at the DPD. This overwhelming support highlights the significance of the BWC program in enhancing community trust and confidence in policing.

Assisting Policing Partners with BWC Implementation

As the first police department to operationally deploy BWCs in British Columbia (BC), the DPD has provided an implementation framework and shared lessons learned with several policing partners. Following DPD's lead, other police departments in BC, including the Vancouver Police Department, are now launching their BWC programs.

Conclusion

Phase 2 of the Patrol BWC pilot program has been marked by significant achievements and insights, highlighting the importance of BWCs in modern policing practices. As we move forward, we remain dedicated to our core principles of transparency, accountability, and community engagement, ensuring that the BWC program continues to serve as a cornerstone of our efforts to enhance public safety and trust.

Dear Minister Farnworth,

RE: Cell Phone Levy to Support E-Comm Costs

I am writing to you on behalf of the BC Association of Chiefs of Police (BCACP) in relation to the increasing costs of E-Comm 9-1-1. Central to our mission is the ability to respond rapidly and effectively to emergency situations, a capability that is significantly enhanced by the services provided by E-Comm 911. However, as you know, these costs continue to rise. Senior police leadership in British Columbia are concerned, and as such, feel a cell phone levy should be implemented.

In recent years, we have witnessed a substantial increase in both the volume and complexity of emergency calls. This trend is not only reflective of our growing population but also of the evolving nature of emergencies and public expectations for swift, efficient emergency response services. E-Comm 911 has been an invaluable partner in meeting these challenges. However, to sustain and improve upon this level of service, it is imperative that we explore and establish a stable funding mechanism to support its operations.

We propose the introduction of a cell phone levy to secure additional funds necessary for the continued excellence of E-Comm 911 services. Given the universal presence of cell phones in our society and their critical role in facilitating emergency communications, it seems both appropriate and strategic to link this technology with the funding of its most vital use — emergency response.

We understand the considerations and complexities involved in implementing a new levy. However, we firmly believe that the proposed cell phone levy represents a reasonable and necessary step towards ensuring the long-term resilience and reliability of our emergency communication systems. It is a proactive measure that underscores our collective commitment to public safety.

British Columbia Association of
CHIEFS OF POLICE

We kindly request your support and leadership in initiating discussions on this proposal at the provincial level. The BCACP, alongside our partners in public safety, stands ready to assist and provide further input on how best to implement this initiative.

Thank you for your attention to this matter and your ongoing commitment to the safety and well-being of the residents of British Columbia. I look forward to the possibility of working together on this critical initiative.

Sincerely,

A handwritten signature in black ink that reads "Fiona Wilson".

DISCUSSION

Operating Expenditures and Revenues

DPD reports a positive operating variance of \$444,626 for the period ended March 31, 2024. Two main drivers for the budget variance are Police Staff vacancies and a grant from the Province to offset investigative costs.

	Year to date Actuals	Year to Date Budget	YTD Variance (Fav)/Unfav (\$)	YTD Variance (Fav)/Unfav (%)
Expenditures				
Department Support Services	\$4,146,892	\$4,303,366	\$(156,474)	(3.6%)
Investigative Services	1,677,660	1,718,507	(40,847)	(2.4%)
Community Services	2,592,060	2,600,255	(8,195)	(0.3%)
Patrol Services	4,258,386	4,324,757	(66,371)	(1.5%)
Secondments	954,673	917,613	37,060	4.0%
Ecomm	764,055	772,875	(8,820)	(1.1%)
Total Expenditures	14,393,726	14,637,373	(243,647)	(1.7%)

Revenues				
Recovered Services	(1,125,038)	(970,625)	(154,413)	(15.9%)
Fines and Fees	(136,465)	(95,001)	(41,464)	(43.6%)
Grants	(224,821)	(29,125)	(195,696)	(671.9%)
Other Recoveries and Misc	(12,268)	(27,498)	15,230	55.4%
Transfer to Reserve	64,864	-	64,864	
Total Revenues	(1,433,728)	(1,122,249)	(311,479)	(27.8%)
Operating Tax Draw	12,959,998	13,515,124	(555,126)	(4.1%)
<i>Wage bank accrual¹</i>	<i>110,500</i>	<i>-</i>	<i>110,500</i>	
Operating Tax Draw – Adjusted	\$13,070,498	\$13,515,124	\$(444,626)	(3.3%)

¹ Wage bank accrual is a City entry to record the liability for unused leave banks

Variations for the department’s sections and revenues are explained as follows:

Department Support Services is under budget \$156,474. This variance is a result of Police Staff vacancies in Comms/Media, Records, and Information Technology. Some of these vacancies have since been filled.

The 2024 budget was increased for uniforms, equipment, and fuel and as a result, are on budget for the period.

Investigative Services is under budget \$40,847 due to positive variances in overtime for the Major Crime and Drug Investigation units.

Patrol Services is under budget \$66,371 due to a positive variance in overtime. In addition, after BC police chiefs successfully lobbied the provincial government, funding has been provided for HealthIM, an app used to screen, document, and assess mental health resources needed when Patrol members encounter people in distress. DPD has been funding this app since 2019.

Secondments are over budget \$37,060 due to recoverable overtime.

Recovered Services are over budget \$154,413 due to higher than budget recoverable overtime for seconded members and recoveries for Hwy 17 traffic enforcement.

Fines and fees collected are over budget \$41,464 due to additional Police Information Check revenues.

Grants are over budget \$195,696 due to a grant received from the Province to support DPD intelligence and analyst staffing related to organized crime files.

Transfer to/from Reserve represents the additional Police Information Check revenues to be utilized for DPD Health & Wellness initiatives.

Wage bank accrual is an accounting entry made by the City to record the liability for unused leave banks such as Vacation, Float, Banked OT, and Statutory Holidays. The 10-year average is \$442,000 and will be accrued quarterly until the actual amount is calculated at the end of the year.

Capital Expenditures

	Year to date Actuals	2024 Budget	Variance (Fav)/Unfav (\$)
Vehicle Purchases – 2024	-	\$430,000	\$(430,000)
Vehicle Purchases – 2023 carryover	1,083,456	1,624,000	(540,544)
Protective Equipment, Furniture, IT	43,482	442,500	(399,018)
Total Capital Expenditures	\$1,126,938	\$2,496,500	\$(1,369,562)

Capital Expenditures include 2022 and 2023 vehicle purchases that have been in progress after experiencing delays due to supply chain issues. It is anticipated that all pending vehicle purchases and builds will be completed in 2024.

Overtime Data

Overtime expenditures in total are less than budget by \$10,293. The overtime variance is summarized as follows:

Department Support Services	\$ (4,775)
Investigative Services	(42,158)
Community Services	21,334
Patrol Services	(42,116)
	<u>(67,715)</u>
Secondments (recoverable)	57,422
Total	<u>\$ (10,293)</u>

Community Services is over budget \$21,334 due to recoverable overtime for other agency assists and Hwy 17 traffic enforcement.

Secondments are over budget \$57,422 and relate to DPD members deployed to outside agencies with schedules and overtime needs directed by that agency. HR staff conducts regular check-ins with deployed members.

April 22, 2024

Dear Colleagues,

Thank you to all the Police Board Members and friends of BCAPB who attended our annual AGM and conference on April 11 and 12, 2024 in Vancouver, BC. I hope you enjoyed it and found it worthwhile.

My term as president has now concluded. I appreciate all the support received during my time as President. It is now my pleasure to introduce you to BCAPB's new Executive team, voted at our executive meeting following our AGM on Friday, April 12, 2024:

- Lara Victoria, President;
- Micayla Hayes, Vice President;
- Mandy Padda, Secretary; and
- Jim Cambridge, Treasurer.

I hope you will continue to extend your support to them in their efforts to fulfill BCAPB's objectives.

We have had a busy time as our Association is increasingly involved in a wide range of issues affecting policing and police governance in BC. I appreciate the interest and support we have received from our members as well as the many stakeholders and government officials whom we have had the pleasure to work with.

Kind regards,

Patricia Barnes,
Past-President, BCAPB
